

*“Pentecostals believe the baptism in the HS is available to any believer who asks. As it was in the book of Acts, and continues to be the experience of more than 500 million Pentecostal believers- the initial physical evidence of spirit baptism will be speaking in other tongues, and the result of spirit baptism will be a spirit-filled, spirit- transformed, spirit-empowered life”.*

4 Ways to identify a Spirit-Filled Believer even if you don't hear them speak in tongues:

1. You can tell by the way the Worship (Jn. 4:24)
2. They love more than just Jesus (Jn. 13:35; Eph. 4:1-3)
3. In an offense, they are first to forgive (Col. 3:12-15)
4. They carry Jesus' heart for the Lost (Ac. 1:8)
